Monday 3/20/23	6:15 p.m. - 7:45 p.m.	<i>Virtual Online Training</i>	C -onsciously H -elping O -vercome K -ritical E -vents D -aily	Around young children, choking hazards do not only include food. Children constantly put things in their mouths including small objects like coins and toys that fit in their mouth. And since their airway is narrower than adults as their tongues are larger than their mouth, they choke much more easily. Trainer will discuss ways to prevent choking and what to do when a child is choking.	Alexa Gauldin Health Child Care Consultant	Call 786-1880	None	1.5 hrs.

T.E.A.C.H. Early Childhood® Project

Comprehensive scholarships help pay the cost of tuition, books, and travel, may insure paid release time, require compensation incentives and encourage retention for child care providers working on a credential or degree in early childhood education or child development.

Child Care WAGES®

Salary supplements that are linked to the education level of participants are paid every six months as long as participants remain in child care program.

Child Care Services Association, P.O. Box 231 Chapel Hill, NC 27514 or call 919.967.3272 or www.childcareservices.org

Please call the Partnership at 336-786-1880 to request application forms for WAGES or TEACH. Applications can be mailed, or providers may wish to come by the office and get a copy.

All trainings will be closed 10 minutes after the starting time. Anyone who enters the training after that time may sit in and participate but will not receive DCD credit. *** Lamination and Die Cut weeks are as follows: Jan. 2nd-Jan. 6th, Feb. 6th-Feb.10th, Mar. 6th- Mar. 10th, Health & Safety Trainings and Child Development trainings will be offered throughout the year.
